Enlarged room layout from the principal inhabited floor.

A–A Section

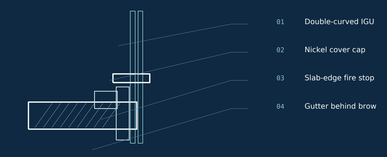

1:800 0 20 m

E1 Elevation

1:800 0 20 m

D1 Lobed facade and rain brow

1:20 0 0.5 m

Envelope and structure

The cores remain fixed as perimeter plates turn near the base. Four broad glass lobes settle into a clear crown. A recessed L27 terrace opens one side while keeping the continuous service route above.

Environment and access

Coordinate wind loading, sun control and access around the bulging corners. Simulate driven rain at the garden notch and protect terrace doors with a drained threshold.
